All my obsessions
I wanna lay them all down
In Your hands, only Your love is vital
Though I'm not entitled
Still You call me Your child**

**I've had plans shattered and broken
Things I have hoped in
Fall through my hands
You have plans to redeem and restore me
You're behind and before me
Oh, help me believe**

**Oh, You want me
Somehow You want me
The King of Heaven wants me
So this world has lost its grip on me**

**God, You don't need me, but somehow You want me
Oh, how You love me, somehow that frees me
To take my hands off of my life and the way it should go**
